

September 01, 2023

Hello from the KMC USAG Girls' Gymnastics Team, your neighbor right here in Kennett Square!

KMC hosts a strong USAG competitive team of approximately 30 gymnasts for levels 2 thru 10. Our gymnasts and parents are committed to the team philosophy that KMC brings to gymnastics and our athletes train to be the best competitors both physically and mentally.

The KMC USAG Parents' Organization (KMCAPO) is membered by the parents of the USAG team. We are a 501c(3) fundraising organization writing today to ask for your support. Through our fundraising efforts, our girls are able to experience competitive gymnastics nationwide. Without local business support, we would not be able to make it all happen!

We offer three levels of **Sponsorship** which run from **November 1, 2023** through **October 31, 2024**. Please see the **Sponsorship Opportunities** page for all of the details.

Over **1,000** families visit the KMC gym each week with children that attend gymnastics and dance classes, team practice and birthday parties. An additional **500+** athletes and families are expected to attend the gymnastics and trampoline meets being held in the gym this season.

**Meets hosted at KMC this year:**

- **Kick Off Classic** - October 2023 (~100 athletes)
- **7<sup>th</sup> Annual January Jamboree** – January 2024 (~300 athletes)
- **Trampoline Invitational** – February 2024 (~100 athletes)

**Will you please sponsor the KMC USAG Girls' Team this season and take advantage of these exceptional opportunities to market your business?**

THANK YOU so much for your consideration!

Kelly Hainsey  
KMCAPO President
